**The Speaker (Hon. Dominic Rono):** Let's proceed

**COMMUNICATION FROM THE CHAIR**

**The Speaker (Hon. Dominic Rono):** Honorable members we have received a memorandum from the Governor returning the approved Kericho County Bursaries (Amendment) Bill of 2022. The letter reads;

I wish to return the Bill with the following recommendations:

1. That Clause 2 of the Bill proposing to expound the definition of Education to include driving school does not meet the main objective of bursaries and that the Honorable Members are encouraged to legislate a Bill on youth empowerment fund where the youth can access the fund to attend driving schools

2. That section 12(3)(a) of the Parent Act be amended by deleting the words “nominated by the elected Ward Representative” and replacing them with the word “elected at the ward level”. This will ensure there is separation of powers between the ward representative who exercises their oversight role and the committee who exercise their executive role.

Save the above mentioned recommendations, I am in agreement with the proposed Bill. I therefore wish to commit the memorandum to the committee on Education and Child Welfare to have a look at this memorandum, amend where necessary and render a report to the contrary if they so wish. Thank you.

*Adjournment*

**The Speaker (Hon. Dominic Rono):** Honorable members we adjourn until 2:30pm this afternoon. Thank you.
