The Chairman (Hon. Dominic Rono): Let's proceed, you may be seated. So Honourable members I request the Clerk to read the First Schedule;

FIRST SCHEDULE

That code number 'R4714' be amended by deleting the figures '412,569,759' and substituting them with the figures '411,069,759'.

That code number 'R4715' be amended by deleting the figures '2,600,510,198' and substituting them with the figures '2,610,510,198'.

That the class sub Total (Recurrent Expenditure) be amended by deleting the figures '5,291,316,576' and substituting them with the figures '5,299,716,576'.

The Chairman (Hon. Dominic Rono): Chairman!

Hon. Albert Kipkoech (Chairman Budget and Appropriation Committee, Member for Soliat Ward): Thank you Chairman, the reason why the code No. 'R4714' was amended was because it was just a mathematical error there, because if you can see the figure was "412" and it has reduced to "411" and then in the department of health which is '**R4715**' the reason why there was an increment under pharmaceutical of Kshs. 10 million. Thank you Chairman.

(Question proposed)

(Question put and agreed to)

SECOND SCHEDULE

That code number '**D4713**' be amended by deleting the figures '**499,105,182**' and substituting them with the figures '**485,907,182**'.

That code number '**D4715**' be amended by deleting the figures '**421,410,433**' and substituting them with the figures '**432,410,433**'.

That code number '**D4717**' be amended by deleting the figures '**941,028,395**' and substituting them with the figures '**955,328,395**'.

That code number '**D4718**' be amended by deleting the figures '**310,688,466**' and substituting them with the figures '**305,088,466**'.

That code number '**D4720**' be amended by deleting the figures '**762,922,311**' and substituting them with the figures '**552,380,646**' and by inserting the words 'strategic intervention programmes immediately after the word '**programmes**'.

That the Class sub Total (Development Expenditure) be amended by deleting the figures '**3,112,787,592**' and substituting them with the figures '**3,104,287,592**'.

The Chairman (Hon. Dominic Rono): Chairman!

Hon. Albert Kipkoech (Chairman Budget and Appropriation Committee, Member for Soliat Ward): Thank you Chairman. The reason for all these adjustments was because of the realignment under the schedule and the first department that was affected was Agriculture which is the development. It was reduced by about Kshs. 14 million and then another department is the department of Health whose figure was raised by Kshs. 12 million , then the department of Roads which is ‘D4717’ and then there a reduction under the department of water by Kshs. 5 million. Lastly there was a reduction in the department of Finance. All these were due to realignment of the schedule. Otherwise thank you.

The Chairman (Hon. Dominic Rono): Thank you.

(Question proposed)

The Chairman (Hon. Dominic Rono): Anyone who wants to make a contribution?
