1. The county government of Kericho recently adopted the Integrated Urban Development Plan for Kericho town for the period 2017-2027. The plan envisions Kericho to be green, clean and safe and economically vibrant town. In order to achieve the aspirations in this plan, it identified the need to avail more land for urban development within the projected period.

Generali Nixon Korir, County Leadership led by the County Governor held in Nairobi on 26 July 2023 at the offices of the Department of Lands and Physical Planning, it was resolved that there was an urgent need to secure Chelimo land for the expansion of Kericho Town.
3. Subsequently, a consultative meeting was convened at the Kericho County Governor's Boardroom on 28th July 2023, that brought together the stakeholders in the Chelimo Land among them the County Leadership led by the Governor Kericho county, Kericho county senator, County Members of Parliament for Ainamoi and Kipkelion East, Kericho County Assembly's Committee on Lands, Physical Planning and Housing and the National Land Commission.
4. A further stakeholder's consultative meeting in form of a *public baraza* was convened at Chelimo Grounds on Friday 4th August, 2023 led by the Principal Secretary in the State Department of Lands and Physical Planning Hon. Generali Nixon Korir, Kericho County Governor H.E Dr. Eric Mutai, County Members of Parliament, the County Assembly's Committee of Lands, Physical Planning and Housing and members of the public where it was resolved that a multi-agency taskforce be formed to resolve any outstanding issues in respect to securing the Chelimo County Land. The *Public Baraza* was to ensure that public participation is done in line with the provisions of the Constitution of Kenya. It was additionally unanimously agreed in the *public baraza* that the mandate of the multi-agency Task Force was to identify the exact number of household squatters living in Chelimo Land.

2.0 BACKGROUND REPORT ON ALLOCATION OF LAND IN CHELIMO AREA

7. Chelimo area consists of government land within the boundaries of Kericho Township with a total approximate area of 828 acres.

8. In the 1990's the Kericho Municipal Council started the planning of the area with the assistance of the District Physical Planning Office of the Ministry of Lands and various uses were earmarked for the area.
9. Some of the uses included residential, commercial and public utilities. After the planning the Council advertised the plots and thereafter allocated the plots to different users according to the plan.
10. The exercise was done by the District allocation Committee chaired by the District Commissioner and its secretary being the then Town Clerk.
11. Some of the allottees obtained title of ownership while others did not comply with the conditions of the allotment.
12. Several court cases have since been filed by either the allottees or the squatters since 2011 which have all been dismissed by the High Court in Kericho. The squatters have undertaken to withdraw the pending appeal, having been considered for allocation. The pending Appeal subject land is LR. No. 5468/R which does not affect the land where the settlement is proposed being LR. NO. 631(KERICHO TOWNSHIP)-(Survey of Kenya Map of 1963 sheet No. 3, cadastral 1:250,000(Special).

3.0 METHODOLOGY OF THE IDENTIFICATION OF THE SQUATTERS

13. The Task Force in its first meeting held on 7th August, 2023 resolved to identify the squatters in Chelimo Land by physically visiting the area and meeting them in their households and farms. This was to ensure that the Task Force meets with the squatters in person in their lands and also to determine through observation whether they were genuine. It was further resolved that a scientific method be used to verify the squatters by use of Global Positioning System (GPS) to get the coordinates for all the households at Chelimo.
14. To achieve this, the Task Force was divided into 5 groups with each group allocated one of the five villages of Chelimo Land namely: Koita, Moi Tea, Chepchirik, Showground and Lalanga. It was further agreed that a secretariat be constituted to assist the Task Force in the Identification process.
