**COMMUNICATION FROM THE CHAIR**

**The Speaker (Hon. Dominic Rono):** Honorable members we have received a petition to the County Assembly by The Youth President and it is about the County Executive Committee Member Lands, Housing and Physical Planning about disbandment of a Board and something to do with Audit. So just like we always do, I commit it to Justice and Legal Affairs committee. There is also another petition from Victor Kipngeno who is acting on behalf of the public interest. This is a petition of County Assembly of Kericho pursuant to Article 37 of the Constitution and the Standing Orders of County Assembly of Kericho on the tender notice CGKPWRT/RMLF/T/2020-2021/001. I think he is speaking about the petition of Kap Zakayo - Ainamoi Polytechnic road. I think that is the road that was advertised on 28<sup>th</sup> of November, 2020. He is seeking to know issues around misappropriation of funds, procuring entity.

Department of Roads Public Works and Transport to provide County Assembly of Kericho with the feasibility study report of the above mentioned projects and the engineer's estimates. Just like we always do, we commit this to Justice and Legal Affairs committee to look into it. Next order!
