**COMMUNICATION FROM THE CHAIR**

**The Speaker (Hon. Dominic Rono):** So honorable members we are in receipt of communication from the Office of the Governor this is in respect to the establishment of the Office of County Attorney.

The office of the County Attorney in the Public Service has been created through the Kenya Gazette Supplementary No.122 (Act 14) dated 13<sup>th</sup> July, 2020.

The County Government Act 2020, section 59 (1) (a) confers the Board with the mandate to establish and abolish offices in the County Public Service. In discharging this function, the County Government's Act 62 (2) directs the Board to submit the proposal for the creation of an Office to the County Assembly for approval through the CECM responsible for County Public Service.

This is to request you to approve the creation of this office as per the request from the County Public Service Board.

I commit this communication to the committee on Labor for purposes of looking at it and seeing as to whether that office can be created.

Honorable members we are also in receipt, of the Finance Bill 2020.

Attached, please find the Finance Bill, 2020. I commit the Finance Bill to the committee on Finance.

We have also received County Budget Review and Outlook Paper this is (C-BROP), 2020. I commit the same to the committee on Budget and Appropriation.

The other communication that I want to put across is that there was vetting for Chief Officer in charge of Roads and there was vetting for County Executive Committee Member for ICT. So I will request that we complete on the report so that we can table them on Tuesday next week.

Thank you. Next order
